Activate Windows  
Go to Settings to activate Windows.

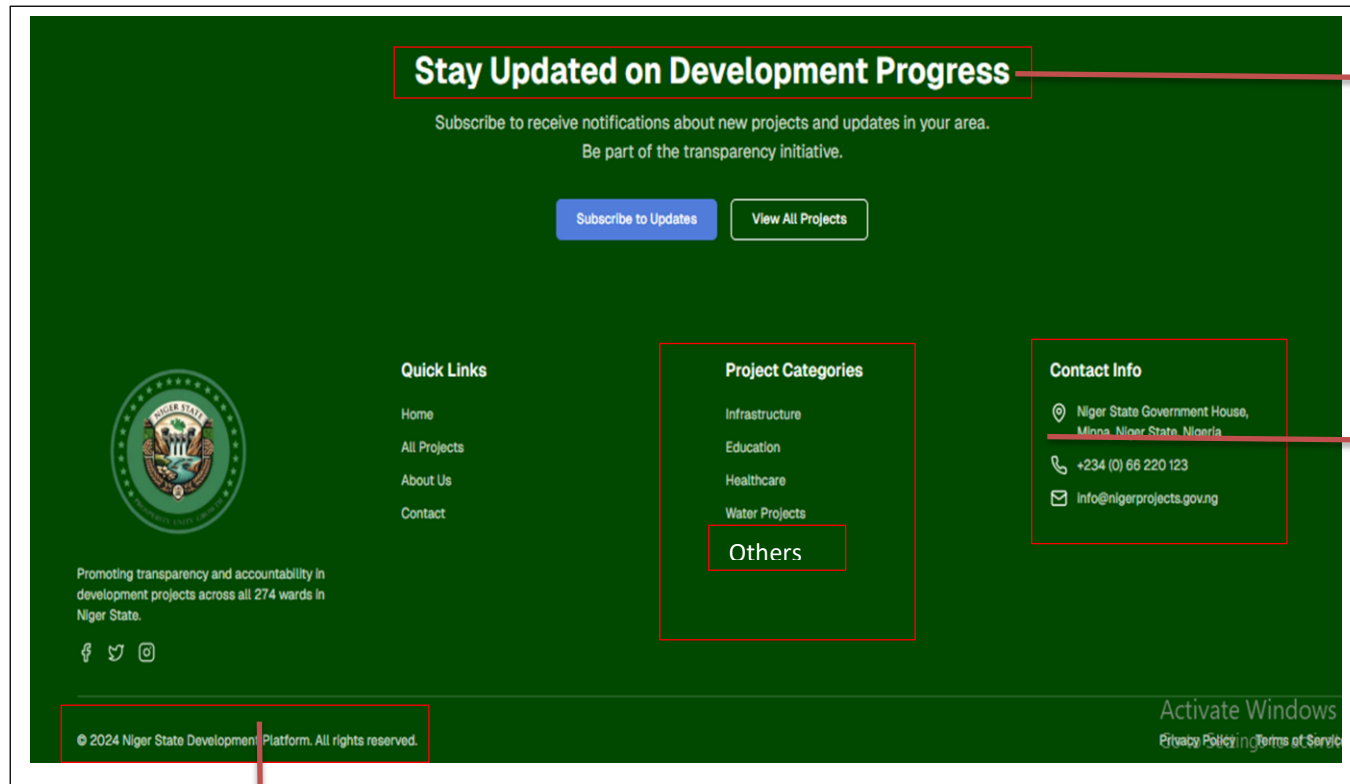

It should be the category of the project

"approved" should be the status of the project like "Proposed", "Ongoing", or "Completed"

## Other feedbacks:

1. UX is bad on destop and mobile.
2. On desktop, max of 3 cards and sliding in every 5 seconds
3. On mobile, max of 1 card and sliding every 5 seconds
4. Last 20 projects should be here
5. UI for "Latest Updates" and fonts be improved.

1. UI/UX is good on desktop but bad on mobile
2. On mobile, make it sliding for every 5 seconds

1. Revamp the UI and font for text
2. "Poling Units" should be replaced by "Zones" and the selectable list should be "A, B, C"
3. "Local Government Area" & "Ward" lists are not corresponding appropriately

Remove this section

It is not working.

I did not see where these details are collected in the super admin dashboard.

## Feedbacks

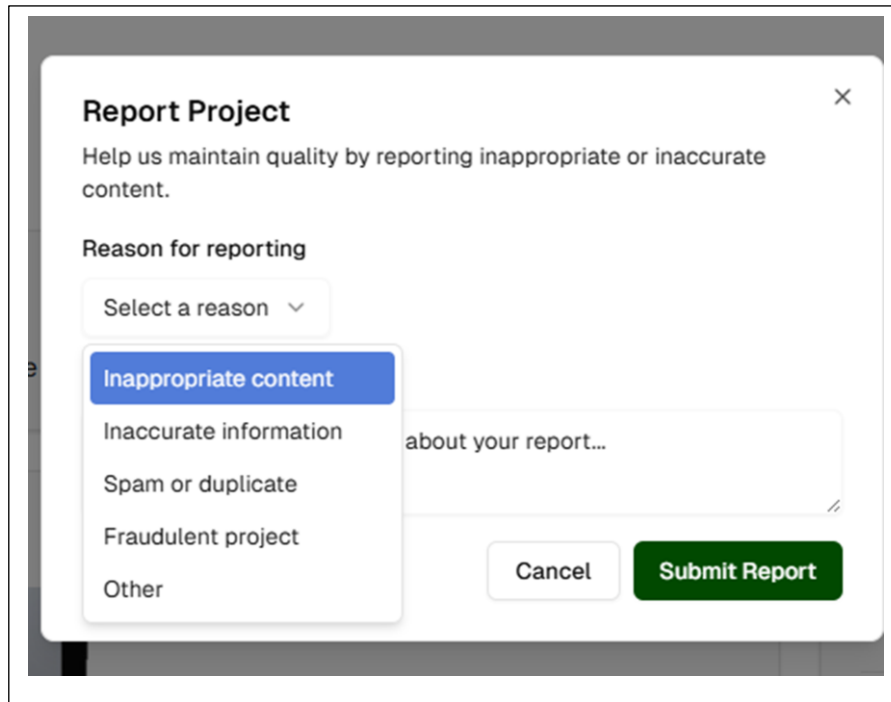

1. UIUX is good on desktop but very bad on mobile.
2. “Filters” section should contain “Year” and “Month”
3. On mobile, filter parameters like; LGAs, Wards, Category, Status, Year, & Month should be expandable (+) and closeable (-) under “Filters”
4. On desktop and mobile, pagination should be done with each page carrying up-to 10 projects cards
5. “Pending” should be replaced by the status of the project like Proposed, Ongoing, and Completed
6. The dollar sign should be removed
7. Start and Expected dates should be removed here
8. Projects with images are not showing images
9. Revamp the texts font style and arrangement

1. On desktop, texts arrangement is not nice. Bad UI, please revamp
2. “Reasons for reporting” should be edited as follows:
  - Quality Concerns
  - Timeline discrepancies
  - Budget concerns
  - Inaccurate information
  - Fraudulent project
  - Project incompleteness
  - Others
3. The placeholders should have smaller text font and faded color
4. “Cancel” button is not functioning
5. The report is not submitting even for the signed in user.
